First Baptist Church, Los Angeles

Recognized as one of the most beautiful church edifices in Southern California, this building, erected in 1927, has been extensively modernized to serve a year-round program of Christian worship, education, recreation and community service. The three rose windows, one of which is shown in this view, are noted for the beauty of their stained glass.

"I was glad when they said unto me; let us go into the house of the Lord"
